SCHOOL BOARD LEGAL STATUS

The Ohio General Assembly has delegated responsibility for the conduct of public schools in each school district to a local board of education. Boards of education are political subdivisions of the state and members of a board are officials elected by the citizens of a district to represent them in the management of the public schools.

Legally, a board of education is a body politic and corporate, capable of suing and being sued; contracting and being contracted with; acquiring, holding, possessing and disposing of real and personal property; and taking and holding in trust for use of the district any grant or gift of land, money or other personal property.

The Board of the Chippewa Local School District is composed of five members elected by the citizens of the District. A regular term is four years.

SCHOOL BOARD POWERS AND DUTIES

Under the laws of the state of Ohio, the Board acts as the governing body of the public schools. Within the extent of its legal powers, the Board has responsibilities for operating the District in accordance with the desires of local citizens who elect its members.

The Board's major responsibilities are to:

1. select and employ a Superintendent;
2. select and employ a Treasurer;
3. determine and approve the annual budget and appropriations;
4. provide needed facilities;
5. provide for the funds necessary to finance the operation of the District;
6. consider and approve or reject the recommendations of the Superintendent in all matters of policy, appointment or dismissal of employees, salary schedules, courses of study, selection of textbooks and other matters pertaining to the operation of the District;
7. require reports of the Superintendent concerning the conditions, efficiency and needs of the District;
8. evaluate the effectiveness with which the District is achieving the educational purposes of the Board;
9. inform the public about the progress and needs of the District and to solicit and weigh public opinion as it affects the District and
10. adopt policies for its governance and the governance of its employees and the students of the District.

BOARD MEMBER AUTHORITY
(And Duties)

Because all powers of the Board lie in its action as a group, individual members exercise their authority over District affairs only as they vote to take action at a legal meeting of the Board.

An individual Board member acts on behalf of the Board only when, by vote, the Board has delegated authority to the member.

It is the duty of the individual members of the Board to attend all legally called meetings of the Board, except for compelling reasons to the contrary, to participate in normal Board business operations and represent all citizens' interests in matters affecting education.

Public Expressions of Members

The Board President functions as the official spokesperson for the Board.

Individual Board members should, when writing or speaking on school matters to the media, legislators and other officials, make it clear that his/her views do not necessarily reflect the views of the Board.

BOARD MEMBER OATH OF OFFICE

Before entering upon the duties of his/her office, each person elected or appointed a member of the Board takes an oath to support the Constitution of the United States and the state of Ohio and that he/she will perform faithfully the duties of his/her office. Such oath may be administered by the Treasurer, any member of the Board or any person qualified to administer an oath.

UNEXPIRED TERM FULFILLMENT
(Board Vacancy)

A vacancy on the Board may be caused by:

1. death;
2. nonresidence;
3. resignation;
4. removal from office;
5. failure of a person elected or appointed to qualify within 10 days after the organization of the Board or of his/her appointment or election;
6. relocation beyond District boundaries or
7. absence from Board meetings for a period of 90 days, if the reasons for the absence are declared insufficient by a two-thirds vote of the remaining Board members. (The vote must be taken not earlier than 30 days after the 90-day period of absence.)

Any such vacancy will be filled by the Board at its next regular or special meeting not earlier than 10 days nor later than 30 days after the vacancy occurs. A majority vote of all the remaining members of the Board is required to fill the vacancy.

Each person selected to fill a vacancy holds office:

1. until the completion of the unexpired term or
2. until the first day of January immediately following the next regular Board election taking place more than 90 days after a person is selected to fill the vacancy. (At that election, a special election to fill the vacancy is held. No such special election is held if the unexpired term ends on or before the first day of January immediately following that regular Board election. The term of a person elected in this manner begins on the first day of January following the election and is for the remainder of the unexpired term.)

The shorter of the above options determines the length of office.

BOARD MEMBER CODE OF ETHICS

The Board believes public education should be conducted in an ethical manner. In addition to State law, the conduct of Board members should conform to the code of ethics recommended by the Ohio School Boards Association, which includes the following.

It is unethical for a board member to:

1. seek special privileges for personal gain;
2. personally assume unauthorized authority;
3. criticize employees publicly;
4. disclose confidential information;
5. place the interest of one group or community above the interest of the entire District;
6. withhold facts from the Superintendent, particularly about the incompetency of an employee or
7. announce future action before a proposition has been discussed by the Board.

The evaluation of the Treasurer's abilities and performance is written and made available to and discussed with the Treasurer. The Board considers the evaluation of the Treasurer in acting to renew or nonrenew his/her contract.

TREASURER'S CONTRACT

The appointment of the Treasurer is secured through a written agreement stating the terms of the contract. The contract meets all state requirements and protects the rights of both the Board and the Treasurer.

The Treasurer is appointed for a term not to exceed five years. The initial contract can be for not less than one year or more than five years. The term commences on August 1 and continues through July 31 of the year in which the contract expires. Should a vacancy occur mid-term, the Board can appoint a new hire to a term starting on any date – as long as the length of the contract does not exceed five years from the prior August 1. The period of time in which the Treasurer's contract may be renewed begins on January 1 of the year prior to the contract's expiration and ends on March 1 of the year in which the contract expires.

Salary and benefits are determined by the Board at the time of the appointment and are reviewed by the Board each year. The Treasurer's salary may be increased or decreased during his/her term of office. However, any decrease must be a part of "a uniform plan" affecting salaries of all District employees.

The termination procedures that currently apply to teachers and other administrators, requiring a due process hearing, now apply to the Treasurer.

If the Board intends to nonrenew the Treasurer's contract, notice in writing of the intended nonrenewal must be given to the Treasurer on or before March 1 of the year in which the contract expires.

The Treasurer is automatically disqualified from service if he/she fails to maintain his/her license. The Board may permit an individual who does not possess a valid treasurer's license to serve as District Treasurer as long as the individual meets all qualifications for licensure and has applied for issuance or renewal of his/her license but has not yet received the State Board of Education's decision.

Nothing in this policy shall prevent the Board from making the final determination regarding the renewal or nonrenewal of the Treasurer's contract.

All regular and special Board meetings and Board appointed committee meetings are open to the public. All Board meetings are publicized and conducted in compliance with the Sunshine Law. No action may be taken by the Board in executive session.

EXECUTIVE SESSIONS

Educational matters should be discussed and decisions made at public meetings of the Board. Some matters are more properly discussed by the Board in executive session. As permitted by law, such matters may involve:

1. the appointment, employment, dismissal, discipline, promotion, demotion or compensation of an employee, official or student or the investigation of charges or complaints against such individual, unless an employee, official or student requests a public hearing (the Board will not hold an executive session for the discipline of one of its members for conduct related to the performance of his/her official duties or for his/her removal from office);
2. the purchase of property for public purposes or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair advantage to a person whose personal, private interest is adverse to the general public interest;
3. specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law;
4. matters required to be kept confidential by Federal law or State statutes;
5. preparing for, conducting or reviewing negotiations with public employees concerning their compensation or other terms and conditions of their employment;
6. in-person conferences with an attorney for the Board concerning disputes involving the Board that are the subject of pending or imminent court action or
7. consideration of confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets or personal financial statements of an applicant for economic development assistance, or negotiations with other political subdivisions respecting requests for economic development assistance provided that:
 - A. the information is directly related to a request for economic development assistance that is to be provided or administered under provisions of State law authorized in Ohio Revised Code Section 121.22(G)(8)(1), or involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project and

- B. a unanimous quorum of the Board has determined by a roll call vote the executive session is necessary to protect the interests of the applicant or possible investment or expenditure of public funds to be made in connection with the economic development project.

Conferences with a member of the Auditor of State's Office or an appointed certified public accountant for the purpose of an audit are not considered meetings subject to the Open Meetings Act (Sunshine Law).

The Board meets in executive session only to discuss legally authorized matters. Executive sessions are held only as part of a regular or special meeting and only after a majority of the quorum determines, by a roll-call vote, to hold such a session.

When the Board holds an executive session for any of the reasons stated above, the motion and vote to hold the executive session shall state one or more of the purposes listed under such paragraph for which the executive session is to be held, but need not include the name of any person to be considered in the executive session. The minutes shall reflect the information described above.

In compliance with law, no official action may be taken in executive session. To take final action on any matter discussed, the Board reconvenes into public session.

The Board may invite staff members or others to attend executive sessions at its discretion.

Board members shall not disclose or use, without appropriate authorization, any information acquired in the course of official duties (which is confidential because of statutory provisions) or which has been clearly designated as confidential because of the status of proceedings or the circumstances under which the information was received.

AGENDA FORMAT

The agenda format is developed by the Superintendent and the Board in order to give direction to the Board meetings.

The tentative agenda, along with related materials and minutes of the previous meeting is distributed to each member at least 48 hours prior to the Board meeting. The particular order of agenda items may vary from meeting to meeting in keeping with the business at hand.

The agenda is adopted or modified by a motion of a majority of those members present. Once the agenda is approved, it requires a vote of a majority of the Board members present to make additional modifications.

Consent Agenda

In order to use time within the Board meetings more efficiently, the Board may use a consent agenda, whenever appropriate. Items placed on the consent agenda are routine in nature and typically appear on the Board's agenda every month. Board minutes and monthly expenses are two examples of what may be considered consent agenda items.

When the consent agenda is presented to the Board for action, the Board President provides the opportunity for any member of the Board or the Superintendent to request a discussion or removal of any items on the agenda. Items removed are placed on the regular agenda or tabled. Remaining items on the consent agenda are then voted on by a single motion.

AGENDA PREPARATION AND DISSEMINATION

The Superintendent, in consultation with the Board President, arranges the order of items on meeting agendas so that the Board can accomplish its business as expeditiously as possible. The particular order may vary from meeting to meeting in keeping with the business at hand.

Items of business may be suggested by a Board member, staff member or citizen of the District. The agenda may allow suitable time for remarks by the public who wish to speak briefly before the Board.

The Board follows the order of business established by the agenda, except as it may vote to re-arrange the order for the convenience of visitors or other individuals appearing before the Board or to expedite Board business. An item of business that is not on the agenda may be discussed and acted upon if a majority of the Board agrees to consider the item. The Board, however, should not revise Board policies, or adopt new ones, unless such action has been scheduled.

The agenda, together with supporting materials, is distributed to Board members at least 48 hours prior to the Board meeting to permit them to give items of business careful consideration. The agenda is also made available to the press, representatives of the community, staff groups and others upon request.

MINUTES

The minutes of the meetings of the Board constitute the written record of Board actions. The Treasurer records in the minutes of each meeting all actions taken by the Board. Minutes need reflect only the general subject matter of discussion in executive sessions.

Minutes shall specify the nature of the meeting (regular or special); time, place and members present; approval of minutes of the preceding meeting or meetings; complete record of official actions taken by the Board relative to the Superintendent's recommendations, communications and all business transacted; items of significant information bearing on action; and a record of adjournment.

The Treasurer records the motion, the names of the members making and seconding the motion and the vote of each member present.

A complete and accurate set of minutes shall be prepared and become a regular part of the monthly agenda. The Treasurer must make draft minutes available for public inspection. Following approval of the minutes by the Board at the next meeting, the minutes are signed by the President and attested to by the Treasurer.

The official minutes shall be bound and kept in the office of the Treasurer, who shall, after they have been approved by the Board, make them available to interested citizens. Copies are made available at cost during normal office hours.

BOARD POLICY DEVELOPMENT AND ADOPTION

Proposals regarding Board policies and operations may originate at any of several sources, including students, community residents, employees, Board members, consultants or civic groups. A careful and orderly process is used when examining policy proposals prior to Board action.

The formulation and adoption of written policies constitute the basic method by which the Board exercises its leadership in the operation of the District. The study and evaluation of reports concerning the execution of its written policies constitute the basic method by which the Board exercises its control over District operations.

The formal adoption of policies is recorded in the minutes of the Board. Only those written statements so adopted and recorded are regarded as official Board policy.

Final action by the Board on proposals shall be in accordance with this policy. The Board takes action on most matters on the basis of recommendations presented by the Superintendent. The Superintendent bases his/her recommendations upon the results of a study and upon the judgment of the staff and study committees.

Policies introduced and recommended to the Board should not be adopted until a subsequent meeting in order to permit further study and provide opportunity for interested parties to react. However, temporary approval may be granted by the Board in lieu of formal adoption to address emergency conditions or special events which may occur before formal action can be taken.

Unless otherwise specified, a new policy or policy amendment is effective as of the date of adoption by the Board and supersedes all previous policies in that area. Unless otherwise specified, the repeal of a policy is effective as of the date the Board takes such action.

SUSPENSION OF POLICIES

If the Board wishes to take action contrary to existing policy, it may suspend the policy for only one meeting at a time and in only one of the following ways:

1. upon a majority vote of the Board present and voting at a meeting in which the proposed suspension has been described in writing or
2. upon a unanimous vote of members of the Board present and voting if no notice has been given.

BOARD-STAFF COMMUNICATIONS

The Board wishes to maintain open channels of communication with the staff. The basic line of communication between the Board and the staff is through the Superintendent. Staff members should utilize the Superintendent to communicate to the Board or its subcommittees. All official communications, policies and directives of staff interest and concern are communicated to staff members through the Superintendent. The Superintendent develops appropriate methods to keep staff members informed of the Board's issues, concerns and actions.

Board members must recognize that their presence in school buildings could be subject to a variety of interpretations by school employees. If a visit to a school or classroom is being made for other than general interest, Board members shall inform the Superintendent and make arrangements for visitation through the principal of the particular school. General interest visits are defined as informal expressions of interest in school affairs and not as inspections or visits for supervisory or administrative purposes. Board members will indicate to the principal the reason(s) for the visit. Official visits by Board members are carried out only under Board authorization.

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate conferences, workshops and conventions. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance.

1. The Board periodically decides which meetings appear to be most promising in terms of producing direct and indirect benefits to the District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits which can be derived from participation at such meetings.
2. Funds for participation at such meetings are appropriated on an annual basis in the Board service fund. When funds are limited, the Board designates which of its members participate in a given meeting.
3. Reimbursement to Board members for their travel expenses is in accordance with the Board's travel-expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate are requested to share information, recommendations and materials acquired at the meeting.

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

The Board recognizes the value of membership and attendance at conferences and meetings at the local, county, state and national level.

Attendance at local, county, state and national workshops and conferences is encouraged.

Each Board member is expected to report back to the Board after attending a conference at District expense.

Travel and personal expenses of spouse, children or other guest traveling with a Board member shall be the responsibility of the Board member or of the individual. Expenses for convention functions attended as a group will be borne by the District within budgetary limits.

The President of the Board will regularly receive a record of Board member attendance at conferences.

A Board member who attends a conference held by an association of public officials and employees may accept a meal, or attend a reception or open house, the cost of which is financed by a private party so long as the meal, reception or open house is: (1) of an ordinary, routine character; (2) at an educational or informational event; and (3) open to all of the public officials and employees attending the event. See Ohio Ethics Commission Advisory Opinion No. 2002-02 (613/2002). A Board member is prohibited from improperly using his/her position to secure the donation of the cost of a meal, reception, or open house at a conference of an association of public officials and employees to which he/she or his/her Board belongs, while the Board member is simultaneously engaged in governmental business or regulatory activity directly affecting the related interests of the person solicited.

(Approval date: January 24, 2011)

BOARD MEMBER COMPENSATION AND EXPENSES

The Board votes prior to January 1 to set the rate of compensation for newly elected or re-elected Board members. Because compensation for Board members may not be changed during their respective terms of office, changes in compensation must be made prior to the beginning of their respective terms.

Board members will receive the maximum amount permitted by law.

Board Service Fund

A Board “service fund” is established to pay expenses actually incurred by Board members or members-elect in their official duties. The sum set aside will not exceed the maximum amount permitted by law. This fund is used at the Board’s discretion to provide for members’ participation (not compensation) in workshops and conferences, for new Board member orientation and training and for other expenses in connection with assigned duties as permitted by law, including those made for a public purpose as defined below.

Spending Guidelines: Definition of Public Purpose

The Board recognizes that expenditure of funds within the District must fall within the scope of serving a public purpose as defined by State law. It is the Board’s determination that the following expenditures are a necessary part of the effective function of the extracurricular and cocurricular programs concerned, once reviewed and approved by the Superintendent:

1. awards;
2. recognition and incentive items for employees and/or volunteers and
3. prizes/awards/programs for students through the use of student activity funds.

The Superintendent, at the discretion of the Board, is permitted to honor employees and nonemployees with plaques, pins and other tokens of appreciation to include meals, refreshments or other amenities which further the interest of the District.

The Board affirms that the expenses incurred as listed above do serve public purposes which include the promotion of education by encouraging staff morale as well as support for the District’s educational program with citizens, members of the business community, advisory committee members and associated school districts. All expenditures are subject to approval by the Superintendent.

Expenses

Expenses of a Board member incurred in the performance of his/her duties and expenses for a member-elect in training and orientation will be paid from the Board Services Fund, provided that each such member or member-elect submits a written statement of his/her expenses.

A Board member shall be permitted to request coverage for himself/herself and/or family in the District's group health and life insurance plans. This coverage is permissible only at the Board member's expense and must be announced at a regular meeting and recorded in the minutes. This does not constitute "pecuniary interest" in any contract.

Within 30 days after a Board member takes office, he/she has an opportunity to become a member of the State Employees Retirement System.

The Board member shall notify the Treasurer whether or not he/she wishes to participate. The Treasurer shall ensure that the proper procedure is followed for completing the information required by the Retirement Board.

Vendor Compensation

Any compensation paid by a private vendor to a District official or employee, after the official or employee has participated in selecting the vendor, is considered "public money" and must be returned to the District.
